

6. (Amended) A method as claimed in claim 1, wherein the message carrying the update data is cryptographically signed.

7. (Amended) A method as claimed in claim 1, wherein the mobile platform comprises a mobile telephone, communicator, PDA, palmtop or laptop computer.

8. (Amended) A method as claimed in claim 1, and comprising sending the update data in response to a request from the mobile platform.

REMARKS

Claims 1-10 are pending in this application. By this Amendment, claims 3 and 5-8 are amended to delete multiple dependencies. No new matter is contained in the amendments. Timely examination on the merits is respectfully requested.

Please charge any fee deficiency or credit any overpayment to Deposit Account No. 01-2300.

Respectfully submitted,
